This license covers use of the DCFS v1.0 software (the "Software") at your site or location, and, for certain users, redistribution of the Software to other sites and locations. Use and redistribution of DCFS v1.0 in source and binary forms, with or without modification, are permitted provided that all of the following conditions are met.

1. Use of the Software in source and binary forms, with or without modification, is only permitted for non-commercial, non-profit purposes. You need to covenant the "DCFS v1.0 Software Agreement" with the NCIC before you are granted the use. Please contact dcfs@ncic.ac.cn for a copy of the "DCFS v1.0 Software Agreement".
2. Redistribution in any form is only permitted for non-commercial, non-profit purposes. There can be no charge for the Software or any software incorporating the Software. Further, there can be no expectation of revenue generated as a consequence of redistributing the Software.
3. Any Redistribution of source code must retain the above copyright notice and the acknowledgment contained in paragraph 6, this list of conditions and the disclaimer contained in paragraph 7.
4. Any Redistribution in binary form must reproduce the above copyright notice and the acknowledgment contained in paragraph 6, this list of conditions and the disclaimer contained in paragraph 7 in the documentation and/or other materials provided with the distribution.
5. Redistributions in any form must be accompanied by information on how to

obtain complete source code for the DCFS v1.0 software and any modifications and/or additions to the DCFS v1.0 software. The source code must either be included in the distribution or be available for no more than the cost of distribution plus a nominal fee, and all modifications and additions to the Software must be freely redistributable by NCIC without restriction.

6. All advertising materials mentioning features or use of the Software must display the following acknowledgment:

"This product/work includes the DCFS v1.0 software developed by the National Research Center for Intelligent Computing Systems, Institute of Computing Technology, Chinese Academy of Sciences.
